

# Pre-Trib VS Post-Trib = TIMELINE

## Pre-Trib View:

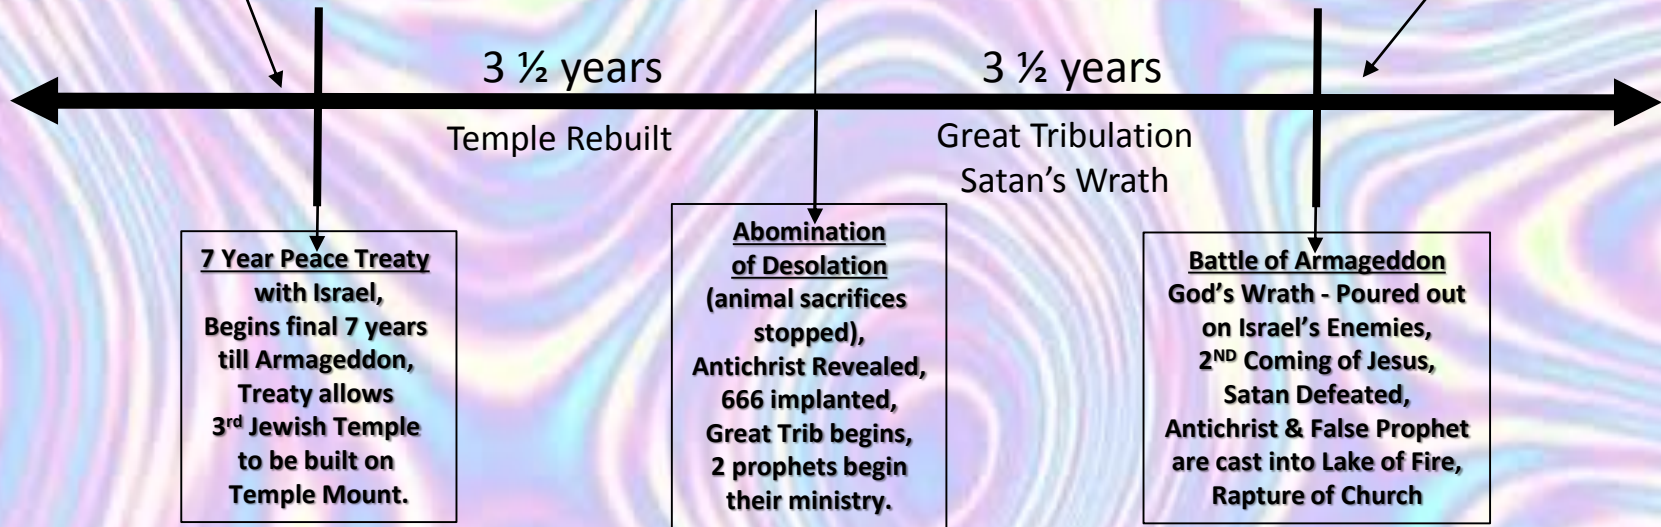

Says the church is Raptured before the Final 7 Years = Thus the church will not see the signing of the 7 Year Peace Treaty. They believe the church is Raptured at Rev. 4:1, their proof is that the word "church" is not mentioned after Rev. 4:1

## Post-Trib View:

Says the church is Raptured immediately After the Great Tribulation, during the battle of Armageddon. We meet Jesus in the air, and travel to Jerusalem for Armageddon. The church is clearly seen in 16 different passages AFTER Rev. 4:1.

**Daniel's 70<sup>th</sup> Week = Final 7 Years to Armageddon**

"Jacob's Trouble"

**7 Year Peace Treaty with Israel, Begins final 7 years till Armageddon, Treaty allows 3<sup>rd</sup> Jewish Temple to be built on Temple Mount.**

**Abomination of Desolation (animal sacrifices stopped), Antichrist Revealed, 666 implanted, Great Trib begins, 2 prophets begin their ministry.**

**Battle of Armageddon God's Wrath - Poured out on Israel's Enemies, 2<sup>ND</sup> Coming of Jesus, Satan Defeated, Antichrist & False Prophet are cast into Lake of Fire, Rapture of Church**

**Note:** To make the point, that the church must have been raptured (in Rev. 4:1), simply because the word "church" is not seen after Rev. 4:1 = doesn't make good sense. After all = The word "**Church**" was not mentioned in II Peter, I John, II John, nor was it mentioned in the book of Jude... Yet... the church was STILL THERE! Furthermore = the Church is seen after Rev. 4:1 (16 times) = see Lesson titled: "The Church AFTER Rev. 4:1"

**Also Note:** There are 5 Verses that speak about His Glorious Appearing (singular)... **NOT** His glorious appearings (plural)! The Pre-Trib View suggest 2 appearings = 1 appearing before the 7 Year Peace Treaty (Rapture); and the 2<sup>nd</sup> at the Battle of Armageddon. Jesus already came once; He will only come again = 1 more time! (*not twice*)
